ANTELOPE VALLEY HOSPITAL FREE HEALTH LECTURE Fertility Preservation and Egg Freezing

WHAT: Antelope Valley Hospital (AVH) Community Health Education Lecture Series presents “**Fertility Preservation and Egg Freezing,**” presented by Shahin Ghadir, MD, physician on staff at Southern California Reproductive Center (SCRC) and Antelope Valley Hospital. Dr. Ghadir will educate our guests about the latest information on fertility workups including a new test called “plan-ahead”. He will be informing guests on general male and female workups and current treatments that have allowed SCRC to be one of the clinics with the highest fertility success rates in the country.

WHO: Shahin Ghadir, MD

WHEN: Thursday, July 24, 2008
6:30 – 7:30 p.m.

WHERE: Antelope Valley Outpatient Imaging Center
44105 N. 15th Street West,
4th floor – Conference Room 15
Lancaster, CA

WHY: The Antelope Valley Hospital (AVH) free community health education lecture series are led by some of the Antelope Valley’s most respected medical specialists. Participants will learn about up-to-date information on a variety of current health issues. Attendees will also have the opportunity to meet and talk with the AVH physicians who treat these conditions every day.

All lectures will be held on select Thursdays of each month. Reservations are required for the free lectures – call (661) 726-6499 to reserve your spot. For a complete list of the lectures, please go to www.avhospital.org

RSVP: AVH Marketing and Public Relations Department (661) 726-6499
